Dedication

This collection is dedicated to the memory of Grandmother Anne Meyer Hecht and to my mother, Amanda Hecht Simmonds, whose encouragement and help made it possible to carry the load of preparing the material for the book when discouragements were more than enough to stop the work on the volume.

CHRISTIAN AND SOPHIE MEYER
and
SOME OF THEIR DESCENDANTS

The idea of trying to collect a genealogy of some of the descendants of the two hardy pioneers who came to the Mid West and established a home for themselves and their children was inspired by a reunion held in Franklin Nebraska during the 1930's. The family ties of the Meyer Clan seemed unusually strong even to a young lad, but as the pressures of making a living bore down, this chore was one that could be laid aside. So it wasn't until another Meyer reunion was held in Smith Center, Kansas during June 1964 that all of the old material that had been accumulated by my mother, Mrs. Amanda Simmonds, and even some from her mother, Anne Hecht, and an attempt was made to bring the material up to date.

This is not a genealogy in the true sense of the word since many of the stories of the sorrows and happinesses of the family should be recorded in a genealogy.

Grandmother Hecht told me many of these stories during the time that she made her home with my parents but since the nature of this family seems more turned to the future than to recalling the past, I have foreborn adding these to the collection of names in this treatese.

I have very little information concerning the parents of Christian Meyer or of his good wife's family Sophie Beckman.
